Profile:

Simon is an experienced, highly motivated General Manager with over 28 years of experience in varying disciplines of construction including: Civils, Commercial, Industrial, Healthcare, Hospitality, Leisure, Custodial and Airport construction. In senior management roles for the last 14 years, 8 of those in the UAE, all with leading contractors. He was involved in a number of landmark projects including Yas Viceroy Hotel, Ikea, Al Muneera, UAE Pavilion and Al Bahr Towers Abu Dhabi, and construction of Dubai Festival City.

As a General Manager for the construction activities at Al Tayer Stocks, he is responsible for the performance of the construction division, including its business development, and total management of financial and execution of all company projects with particular emphasis on safe, quality and delivery on time.

As a Divisional GM he reports directly to Gulf Region GM Jorge Areosa who in turn reports to the Al Tayer Stocks board of directors (made up of Al Tayer Group and Stefanutti Stocks Executive members). He is operating out of the main head office in Dubai, also managing the regional office construction divisions in Abu-Dhabi and Sharjah.

Overall responsibility for the operations and commercial aspects of the Construction Division business along with compliance management of the company policies, ethics as well as QA/QC, ISO 9001 certified standards and health & safety operations.

Simon is also currently Chairman of the Chartered Institute of Building (CIOB), Dubai and Northern Emirates Branch.
